Our New Loan and amprovement Co. Investigation into the matter convinces us that one of the most equita-ble, reasonable and feasible plans of building houses is that proposed and in operation by the Mercantile Loan, Trust and Improvement company of this city. By investing in shares in this institution, which is backed by some of our best and most reliable business men, it becomes possible and comparatively easy for a man of moderate means to secure a comfortable home for himself and family. In takhe pays monthly for rent. We believe the Mercantile Loan and Trust company, by organizing and opening T. J. Savage, Boone; A. T. Cox, Oak-land, L. W. Russell, Glenwood, and O. E. felt want in Council Bluffs. Their plans and system of loans will bear the most careful scrutiny and examination, and we have no hesitancy in pronouncing them reasonable and equitable, and backed by gentlemen of honor and integrity. As the com-pany exists it becomes at once an institution of value and credit to our city and those who desire homes. Their president is T. A. Kirkland, vice president, Judge Peake; secretary, I. R. Beery; treasurer, Col. Beebe, and their office is in the base ment of Shugart's and McMahon's new block, corner First avenue and Pearl street
